

- Eurobins are made of tough plastic which is easy to clean. 1100 litre containers are also available in galvanised steel
- All these containers can be easily moved on their own wheels with the freestanding sizes having lockable castors.
- These containers are suitable for internal and external use as non-rusting materials retain their appearance throughout their life.
- Optional lockable lids available on 1100 litre sizes.
- Towbars can be fitted for movement of 1-4 bins at a time.

CAPACITY		A HEIGHT		B DEPTH		C WIDTH
